

Every note ends with your name.

Parlance makes sure every note you sign reflects the work that went into it.

The image shows a sample clinical note template. The top portion of the note contains several lines of text that have been redacted with horizontal brown bars. Below the redacted text, there is a handwritten signature in blue ink that reads "Jordan Avery". A horizontal line is drawn across the page just below the signature. At the bottom of the page, the text "Jordan Avery, M.S., CF-SLP" is printed in a dark blue, sans-serif font.
